Dear Michael,

We're pleased to announce that your Naturalized Stormwater Basin Guidelines project will be receiving an Honorable Mention in our Development Process category for the 2007 Chaddick Development Awards!

The selection committee was impressed with your energetic and unique approach, and wishes to congratulate you and your staff on a job well done. We would at this point also like to invite you and your team to attend and be recognized at our End-of-Year event next Thursday, June 14th, beginning at 5:30 p.m. here at Chaddick. This is an informal event, so please don't feel obligated to attend if your schedule doesn't allow.

We will be contacting you about ways to publicize the award in your community and within your organization in the near future.

Sincerely,

Joseph A. Keatney
