## President's Message

Matt Brolley

I will be presenting my annual State of the Village Address at 8:30 a.m. on Tuesday, February 17th at the Village Hall.

My report will focus on highlights and accomplishments of 2014, current initiatives, Village finances, and future opportunities and goals. All Montgomery residents and stakeholders are invited and encouraged to attend. The presentation will also be made available on YouTube and on the Village website shortly after the event.

As always, I would appreciate hearing from any of you with comments or suggestions on how we can work together to make Montgomery an even better place to live and work.

## Code Enforcement

Please remember that parking on the street is prohibited when there is 2" or more of snowfall until the streets have been completely cleared from curb to curb. This can take up to two days after the snowfall has ended.

Vehicles parked on the street while snow removal is occurring make it much more difficult for snowplows to fully clear the roadway, thus creating potential traffic hazards. The Police Department will ticket and possibly tow vehicles parked on the street during these conditions. If you have extenuating circumstances (such as no driveway or garage), please contact the Police Department at 630-897-8707 to discuss.

## Sales Tax Referendum Update

The 1% sales tax referendum passed on November 4, 2014 with more than 62% voting in favor. The Village received the certified vote tally from the Counties in December and in January the Village Board approved an ordinance to impose the tax. The Village must provide certified documentation to the State, after which the increased sales tax will be imposed beginning on July 1st. The Village will begin receiving the increased 1% sales tax revenues in October 2015.

Due to this timetable, during 2015 the Village will assess its road improvement plan and compile a list of planned road repairs that will begin in 2016. This will allow the Village to receive approximately six months of revenue before undertaking roadway projects. More information will be forthcoming on the tax rebate program.

## Easter Egg Hunt

The Village and Community Christian Church are pleased to announce that they will be hosting the third annual Easter Egg Hunt for kids aged 1-10 on Saturday, March 28th from 10:30 a.m. until noon. Each year the event has been a hopping success!

The egg hunt will take place at Montgomery Park, while refreshments, face painting, crafts and other fun activities will follow in the Multi-Purpose Room at the Village Hall. Don't forget to bring a camera to take a picture with the Easter Bunny! Please call 630-896-8080 ext. 1559 for more information.

## Student Essay Contest

## Trash Sticker Update

The price of trash stickers increased to \$2.80 instead of \$2.70 beginning January 1st. However, the trash stickers sold at the Village Hall have an expiration date of December 31, 2016 so they can continue to be used this year even if they were purchased in 2014. Check the expiration date on your stickers and call Republic Services at 630-892-9294 with any questions.

The price of the blue bags for the Senior Trash program have increased to \$1.65 from \$1.60. Bags purchased in 2014 can continue to be used in 2015.

## Water Bill Address Change

Please do not mail your water bill payments to the Village Hall. When mailing a payment, please use the mailing address provided on the water bills, which is P.O. Box 786, DeKalb, IL 60115.

If you pay your water bill online through your bank account, please be sure that you give the bank the new address in DeKalb so your payments can go directly to our bank to be credited to your account as quickly as possible. Another option is to use automatic payments. If you have questions, please call 630-896-1357.

## IDOT Contact Information

We occasionally receive reports of pot holes on Route 30, 31 and 25. These are state highways that are maintained by the Illinois Department of Transportation (IDOT). For quickest service, notification regarding pot holes should be made to the IDOT Communications Center at 847-705-4612. They have the ability to contact personnel for needed maintenance or repairs during working and non-working hours.

For claims of damage that have occurred on these roads, please contact IDOT's claims department at 847-705-4062.

## Facebook Communications

Montgomery's Facebook page now has over 2,600 followers! To sign up, just visit [www.ci.montgomery.il.us](http://www.ci.montgomery.il.us) and click the Facebook logo in the lower right hand corner. Last winter Village staff saw the value of a strong Facebook presence when snow and cold temperatures resulted in the last minute cancellation of trash pickup services. We were notified of the cancellation on a Sunday evening and posted the information on our Facebook page, and within 12 hours the notice had been seen by nearly 7,000 people. Of course, Facebook is just one of several communication tools used by the Village, but following our page is a great way for you to get up-to-date information. You can also help your neighbors by "sharing" our Facebook posts so they will be seen by more people.
